

## VOUCHER

Following a pre-booked visit to Dan-Yr-Ogof Caves and Pencynor, your school group would then be charged only half the normal Educational price to see Dan-Yr-Ogof Showcaves.

Please note the following to obtain this special offer:

- Your group must be prebooked into both attractions on the same day
- Your group must number 15 or more
- This voucher to be signed and dated by an attraction staff member on the day of the visit

## PENSCYNOR

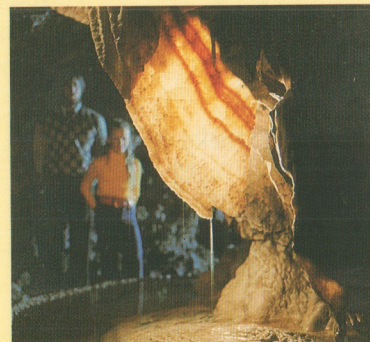

We can offer education at Pencyrnor Wildlife Park

- Talks and tours covering Key Stages 1 & 2 in a wide range of subjects relevant to the National Curriculum, especially ATs 1 to 5 in Science
- Talks approximately 30 minutes in summer season (up to half a day in winter if requested)
- Free preliminary visits for teachers - write or phone for an appointment
- Full time education officer
- Teachers' packs available - enquiries welcome
- Zoo Centre available - large indoor area with "Hands-on" exhibits, animal encounters and more

## DAN-YR-OGOF

- The three cave system has been equipped with superb new interpretation panels, audio guide and lighting effects
- It is now ideal both for a study related experience (formation and features of cave systems, archaeology and natural history) and as an opportunity for children to sense the excitement of an underground exploration
- Recently completed museum brings together these different aspects and a variety of interpretational material is available
- Teaching packs and other material in line with Attainment Targets within the Key Stages of the National Curriculum are available on arrival or by post
- **Summer Opening** - from Easter (or 1st April) to October 31st, 7 days a week from 10.00 a.m.
- **Winter Opening** - from early November to late March we are operating our "Lamplighter Tours" for pre-booked school parties only. Fully equipped with safety helmets and lamps, the children are escorted through the eerie darkness of the Dan-Yr-Ogof Cave, Cathedral Cave and finally the Dinosaur Park and Museum
